## Sponsorship Pack

Sunday 26<sup>th</sup>  
November 2017

## **'Invitation to Change the Lives of Young People'**

A marathon weekend of fun, fitness and fundraising is coming to the Yarra Valley to change the lives of young people and you can be a part of it!

The 4<sup>th</sup> Annual **'Run For The Young Marathon'** is rapidly growing into one of the best Marathon events in the East of Melbourne! This year it will kick off on Sunday 26<sup>th</sup> of November 2017 at the Lillydale Lake. This event offers a unique experience for the community and sponsors as they are designed and organised by young people, all the while supporting a local charity that changes the lives of young people.

The Marathon event is a fantastic opportunity for community members across all lifestyles to get involved in a full weekend of fun, fitness and fundraising. The courses are designed for all fitness levels from the 5km gravel course for beginners or for some family fun to the full 42km Marathon. All the courses have also been designed as a circuit for all participants to start and finish at the Lillydale Lake; we really want to create a community hub with stalls, food and activities for all participants and public.

The weekend supports a life-changing cause for many young people locally and across the state of Victoria. The proceeds from the event will support **Bridge Builders Youth Organisation** in all the work they do with young people. The ultimate goal for Bridge Builders is to build a \$40 million youth, corporate and community facility that will deliberately change the lives of hundreds of thousands of young people and to become the leading youth organisation in Australia.

Please read through the following pages about how to get behind this fantastic event and support the charity changing the lives of young people. Please contact the Bridge Builders Office on (03) 9038 8818 for further information.

Kind regards,

Beck Mitchell  
Executive Officer  
Bridge Builders Youth Organisation  
0431 378 272

## Promotional Stands

**\$220** includes GST

One of the easiest ways to get your brand out in the community is to grab a promotional stand. The Marathon Weekend is a fantastic opportunity for your business/company to market your brand and/or products to a wide range of community members such as families, runners, cyclists or general community. Spaces will be 3 metres by 3 metres. Businesses/ companies to bring their own table, chairs, power and anything else required.

### Product

Products and gifts for participants is a great way for a company to become involved and it also adds value to the experience for our participants. If you would like to become a Sponsor by donating products, please contact us to discuss this option, and the benefits involved.
