## What can I do with my gear?

At registration on the morning (between 6.00am-8:00am) you can organise with the registration team to leave your gear there, to be collected at the end of your event.

The procedure for gear drop off is:

- You can collect a plastic bag and name tag at the time of registration.
- Please write your name and bib number clearly with the markers provided.
- Individual items only may be placed within the bag, such as a change of clothes, light weight jacket, water bottle and post-race snacks.
- After your run you will be asked again to show your bib to collect your bag.
- **No personal bags of any description (purses, handbags) will be accepted.**
- **Any valuables such as wallets, keys or phones placed in these bags are at your own risk.** The event team will take care of your belongings, but no responsibility will be taken for valuables or clothing that are lost or damaged.

## Elevation Map

## Course surface

The majority of all events are on a trail. If you have not done much running on this type of surface we would advise you do so prior to participating in Run for the Young. Participants in the 10km, 21km and 42km events get to experience the beautiful surrounds of the Warburton Trail.

## Drink Stations

All drink stations will be approximately 3 to 4 kilometers apart. The Run for the Young team have provisions for water and Powerade/Gatorade at each station. We have also added additional stations at the Lake for the 5km event, and the end of the 42km Marathon.

## **First Aid**

The Run for the Young has engaged an external service to provide first aid on the day. They will be positioned at the start/finish line, at the half way point of the marathon and also a roving team.

If you have any enquiries or need to discuss any special requirements with the first aid officers please connect with our team prior to your event starting on the morning.

## **Timing/ Race Bibs**

All events are professionally timed. For those participants in the 42km marathon you will be able to use your results as qualifier for some other marathon events. **Please note:** Results from the Run for the Young may not be eligible for qualifying in all marathon events, please check before hand.

You can be assured that this course has been measured and is accurate.

In order to receive an accurate time, runners should ensure:

- Bibs are clearly visible on the front of the torso and not covered (e.g. by a jumper).
- Bib tag is unaltered and unmodified – please do not bend or fold your bib.

The 42km Marathon event will be open for 7 hours approx, closing at 2pm.

## **Food/Cafe**

There is an onsite café where you can purchase food and beverages. All participants are responsible for provisions of their own meals and snacks in the lead up to, during and post event. The Run for the Young team will have provisions of water and Powerade/Gatorade at all drink stations as previously stated.

## **Use of headphones**

Use of any type of headphones is permitted; enjoy those tunes while you run!

## **Use of prams**

The use of prams is permitted across all categories. Please keep in mind that the course has a bit of undulation.

## **Entrants with varying abilities**

This event is completely inclusive, and we encourage all people with varying abilities to participate. Please keep in mind that entrants enter the run at their own risk.

## **Post- Race...**

### **I've finished my race. What do I do now?**

Congratulations on your achievement!!! Once you cross the finish line please keep moving past the finish line to receive your finisher's medal, which will be handed to you before enjoying the Event Village.

Please don't wait for friends and family just past the gates. This creates congestion for runners finishing after you.

**Please note** if you did not register prior to the morning of the event you may not receive a finisher's medal (this is dependent on stock availability)

### **Podium photos and race photos**

If you finish your event in 1<sup>st</sup>, 2<sup>nd</sup> or 3<sup>rd</sup> place please make your way to the podium for a photo. If you finish 1<sup>st</sup> in your category, be sure to collect your winners prize!! Podium photos will be taken approximately 10mins after the 3<sup>rd</sup> place runner has passed the finish line. Professional race photos will also be available for purchase after the event.

### **Event Village**

The Event Village will be situated near the start/finish line. This area will foster a range of exciting activities including sponsors marquees, a cafe, giveaways, entertainment stage, and a cool down zone.

### **Results**

Results will be available online soon after the race, where you will also be able to download your finisher's certificate. Photos from the event will be made available at [www.runfortheyoung.com.au](http://www.runfortheyoung.com.au).
